

CLUB SERIES

[Get Connected to Your Lifestyle]

You asked, and we listened! With a strong customer demand for vans with club lounge layouts, our highly skilled design team here at Franklin created the stunning 'Club Series'. Offering you the best options to suit your lifestyle, these magnificent vans come in 21'6 and 22', mid and rear-door options.

Sitting atop a raised chassis, the van is crafted out of timber and aluminium, with checkerplate to the side walls, and a black composite rear panel. Fitted with market proven appliances, luxury on-road living comes alive with an IBIS 4 air conditioner, LED touch-controlled roof lighting, washing machine, microfibre 'leather-look' upholstery and club lounge, all whilst maintaining a spacious layout. In a club 21 and 22, you get that exclusive Franklin experience.

For more information and layouts visit franklincaravans.com.au
